THE 2018 WESTMORLAND HEALTH FUND DRIVE

Dear Neighbor,

The Westmorland Health Fund Drive is your opportunity for a one-stop annual contribution to charities that address major health issues in our community and nation.

Last year 125 neighbors contributed **\$11,283!** Wow! This year the Health Fund Drive continues its traditional focus on local chapters of well-known health-related charities that have low administrative costs.

The form on the back has a menu of seventeen participating charities. You may donate to any you choose. Select 'All' if you would like your contribution divided equally among all seventeen. We can only accept contributions to listed charities. There is a tear-off receipt on the right side. Your contribution is fully tax-deductable!

Please write one check for your total contribution to the "**Westmorland Health Fund Drive**" or just "**WHFD.**" Please do not staple check to form.

This is a separate endeavor from the Westmorland Neighborhood Association Membership Drive. Your checks and forms for both may be returned to your block captain.

Our Health Fund Drive began in 1973 as a service to Westmorland residents so that worthy charities did not need to conduct door-to-door campaigns, common at that time. Nowadays, some charities may ask you to send letters to neighbors. Just tell them your neighborhood association already does that! You may refer them to me if you wish. You also do not have to contribute directly, even if you get mailings from charities. You already gave!

The "Westmorland Community Association Health Fund Drive" is itself a charitable organization registered with the State of Wisconsin. A financial statement is available upon request. As always, I welcome any comments, suggestions or questions about the Health Fund Drive.

Thank you to all who take this opportunity to support these valuable organizations!
